“ *We're so saddened that our wonderful uncle, F.L. Todd, passed away and yet our hearts are filled with amazing memories. I always felt his dear love and support given to me throughout the years. Our families enjoyed raising Brangus cattle together in Tennessee and Kansas City. He gave the best bear hugs ever! When Louise and F.L. came to visit us in K.C. it was so much fun and each time they came it was something extremely special. Our love, compassion and prayers are with the entire family as we know your hearts are very heavy. Mollie and I are so deeply thankful that we came to visit this past spring and we surprised them which made all of us very happy. Auntie Louise, Nick and Vickie, Cody and Alison our love goes out to you during this very difficult time. We know that our Lord welcomed him with open arms and he is happy and out of pain. I am a better person by the influence he had on my life.*

“ *As a past TN Dept of Public Health employee, I worked with FL for several years. He actually conducted my job interview way back in 1981. He was always a kind, down to earth man who made you feel comfortable to be around. I'm sure he will be very missed.*
