“ *Paula, we were planning on coming to the funeral but we got up this morning we did not feel like we could make the trip. You know how much we thought of Faye and coming to her funeral and seeing you is the least we could do. We are truly sorry.*

*We had some great times together, i remember you and Randall playing on the swing set on Lankford drive. Of you guys playing together and having a great time. We will never forget those days.*

*Your dad and I did lots of things together and i still have one of the cypress knees we cut over in the bottom and boiled in hot water before refinishing them. One of the three maple trees we planted in the front yard is the only one that lived, It is huge and been topped several times. We have many many more stories to remember both your parents and you.*

*Again Paula, we are truly sorry that we could not attend the funeral and visit with you and your family during these time. We truly love you very much,*

*Dot and Wayne*
