“ I am grateful to have been blessed with Aunt Pie in my life. She put God first and family next. She would tell me family is suppose to help and take care of each other. Those were the two most important things to her. She was happy to be with her family after moving back to Blue Goose. Her church family at Independence Church Of Christ was also a important and loving part of her life also. I will miss her and forever be thankful for all the good memories. May she rest now in God's Family. Love Linda
