“ The family of O’Neal Stricklin sends condolences to Dean, Opal, and the rest of Goy’s family. My dad, ONeal, spoke often of his cousin Goy, and their childhood growing up in Lexington. Dad was in touch with Goy for many years. When dad would bring us to Tennessee for visits he always stopped to say hello to his cousin Goy. God bless you all and comfort you in your time of loss.

“ Judy, I have such wonderful memories of your mom and dad! I always think of them as being some of the nicest people that I have ever known. I remember going to their store when it was across from the courthouse. I loved coming to your house and spending the night. They always made me feel so welcome and at home. They were so gracious to me. I never remember either of them ever raising their voice. It is so hard to lose a parent. We just don't realize what a big part of our lives they were until they are gone. Our dads were the same age when they passed away. I know they are now in heaven celebrating. My thoughts and prayers are with you, your mother and the rest of your family. I love you and will always remember you as my special friend.

You likely don't know my married name now. I am Betty Wilson and I remarried after Tim passed away. I would come to the service but am out of town visiting my husband's family.

“ *Mr. Williams was a good honest businessman. After Pam and I married, we purchased our furniture and appliances from him and he was always fair and the repair service was always dependable. We visited him in the hospital several months ago but he was so weak I don't know if he knew me. Praying for the family. David & Pam Autry*
