“ I had the privilege of working with Greg for a short period of time, and enjoyed hearing about his weekend fishing trips with his son and of course him showing off the pictures of his catch and release. I also enjoyed my our fun rival conversations about college football...I'm a Gamecock fan so you can imagine how that went. He was a kind hearted caring person and I'm fortunate that I got to know him for a brief moment of time.

Dear family and friends I'm deeply sorry for your loss and pray that God will fill your hearts with peace and strength as you move through the days ahead.
