“ I meet Hanna aka: Momma and Larry aka: Pop’s through their son Steven. Momma and Pop’s would come in to the place were I worked. Momma would tell you straight out what was on her mind. Pop’s was more laid back but straight forward about what he thought at the time. I remember the time I videotaped their wedding anniversary at Pin Oak Lodge. They were always like two young kids falling love all over again. Momma loved all her children and they loved her. Pop’s, Steven aka: bubba, Cindy and Caron aka: sisters love y’all and miss all the times we had together. My heart is aching for the loss of Momma and the family.

“ My heart goes out to the family. The world lost a bright ray of sunshine, but heaven has gained an angel, a bright shining star for us all to cherish! I will always remember our days of being Westover & Girl Scout moms. Your kindness & humor touched everyone who met you. We will all miss you dearly.

“ I always called you Nana and I considered you like my grandmother. I spent many days at your house with your grandchildren. You were always looking out for all of us when no one else would. I will always cherish the lessons you taught me to become a better person. You may not have known you got through at the time but you did. I know you and my mom are looking down on us from heaven. One day I hope to see you again.

“ *You will be missed so much by so many. You were a very special person, so funny and sweet and you told it like it was. Even years after I wasn't part of the family anymore, I would come over some mornings and we'd drink coffee and watch the birds and talk and talk for hours. I love you dearly and hope to see you again one day. Prayers going up for Larry and your kids and grandkids.*

“ *Hanna, I met you and Larry in 1968 at Sembach AB, Germany. Wilma and I became friends with you and Larry then and we were friends from then on. Wilma went on to Heaven in 1995 so she will probably show you around Heaven now. Then we were together again in the late 70's at Spangdahlem AB, Germany. And finally we were together again at MacDill AFB, FL. I have known Steve, Cyndi and Carin since they were practically toddlers. We know you are pain free now and we hope to see you all again and we will if we all have accepted Jesus into our hearts!*
