“ *What an amazing person to know and have as your friend! We enjoyed so many good times with Harry! He knew the best places to eat catfish; we enjoyed some St. Louis Cardinal games together; we loved music; and just enjoyed spending time with him. He made our time at Palestine truly a blessing. He will be missed by so many. Harry was a good man. Prayers for Carolyn and the rest of the family.*

“ Harry was the kind of guy who made everyone around him a little bit better person. He loved his family and he loved his church and he loved his friends and he LOVED his music. People who speak of Harry will eventually say "he was one of the best friends I ever had". He lived Jesus's words to "loved the Lord with all your heart, soul, mind and strength and to loved your neighbor as yourself". I love Harry and he will always be one of the best friends I ever had.

Wow Jamie! You hit the nail on the head. I thought I was the only one that really knew that about him. He was unique and he was loved by every that knew him. Except that one guy he had to fire once back in the 1970's.
Jamie I can tell you my daddy felt the same way about you as the words you just wrote about him. He thought the world of you. I'm so proud to have been his son. I only hope I can be half as good at living a good life as he has done. He set the bar really high for me. And man, what a great example he was.
