“ I so remember her beautiful smiles, all the good times we had together when we were still in school. She had a lovely presence about her and would also like to say to the family, I loved you all, you always treated me as one of your own and you guys I have to say helped me to get to where I am today and I loved Helen with all my heart, it's just so said when we grow up we grow apart and never see each other, it shouldn't have to be that way, old friend you go rest high on that mountain for I know in my heart you are in a better place now. With all my love, Macelle Lee Collins
