“ *Helen, my beloved Sister and dear friend. I cannot express in words how much I am going to miss you. You were always someone I could look up to and the best sister anyone could have. You have a heart of gold and your kindness surpasses anyone I've ever known. Someday we will be together again and I'll feel the love from your familiar arms. All my love, your brother, Ed.*

“ *My thoughts and prayers are with Helen's family. Helen was just like Mom (Pauline), she has a beautiful heart and a beautiful soul. Kindness shined throughout her as well as love and affection. I will always think of her lovingly. She was a very special person who will be sorely missed. Her laughter and smile was contagious and I will always keep her close to my heart. All my love to you Sweet Helen. With much love and lovely memories, Susan Laich.*
