“ Bubba loved being outdoors and talked on Facebook often of his beautiful Tennessee land and the life he and Helen had made there. I remember riding horses with him when we were young. In those happy days, we would explore most of our town by horseback, including the nearby woods, cornfields, creeks, and ponds. He was right in the middle of it all! Many of us remember him that way but also through our Valdosta school days. It was such a pleasure seeing Bubba and meeting Helen at our class reunion. My prayers are with you during this time, and I hope that your precious memories will comfort you in the coming days.

“ Bubba was my "kissin' cousin". Even though miles separated Tennessee from Georgia, the love for my three cousins did not diminish. Because of the love of a Brother (Leroy) and a Sister (Elizabeth) that love was nourished and will continue forever. I praise God for the life of Bubba Smith. He was a dedicated family man who watched over "all" his family members.

This is Bubba ~ always knew him by this name. A sweet guy who was a talented carpenter. I was crushed by his passing, and will never forget him. I am so sorry that such a fluke accident took him away from so many who loved him. Judy Hutflied

“ My heart goes out to all of Bubba's family and friends. Bubba was truly a friend to anyone he met. His smile from ear to ear and happy laugh will be remembered by all. He was a joker, always saying or doing something to make you laugh. He had a love for his family that was remarkable. Bubba was Bubba, who you saw was who he was. I will miss talking to him on facebook, he could make you feel good when you was down, gave good advice if ask and told of his amazing love for Helen. I will miss my friend but so glad he died happier than he had ever been. *Reada Napper Class of 1971.*
