“ I am so fortunate to have met Jack on more than 1 occasion. I used to deliver the Dive Boats for the resorts he managed. Jack was always so gracious and accommodating. He was a genuine great guy. Got to spend some real quality time with Jack. He was very calm type of person in my experience's, but few would you know that he was the inspiration for Clive Cusslers main character, Dirk Pitt. A badass character. Just found out he is gone and I'm sure his legacy will live on. My condolences to family and friends. Sincerely Rob Register
