“ *Harry was a great friend that I will always remember. A few years back when he was in the hospital for so long, I would go check on him every day. Even years later he would continue to thank me and tell me how much it meant to him. I would always tell him that I wanted to make sure he was getting the best possible care. He would always tell me that all of us that worked at Jackson General gave him the best possible care. It was also great visiting with him at church. A great Christian man that will be missed by all that knew him. Prayers for the family.*

“ Harry was one of the most honorable men I ever met. If he made a statement about anything, it would be 100% true. He was kind, loving and caring toward everyone he knew and never had negative comments about other people.

“ *In 1994, when I moved back to Lexington from Memphis, I bought the old Stewart house on North Main. It didn't have a mailbox at the street so without saying a word about it, Harry showed up one day, dug a hole and put me up a mailbox. Needless to say he wouldn't accept a penny in payment. He left his mark on the world and will be missed by many.*

“ That’s a great picture of a fantastic person, from our days at Juno school with Eva Sue is how long we were friends. Eva Sue was one of the nicest ladies, I ever knew, always thought she and Harry were made for each other. If you were fortunate enough in life to know them, you were greatly blessed. Harry was dedicated to our fire department in spite of his health issues. I know one of God’s best blessings is for us to have friends like him and Eva Sue. Shirley and I extend our deepest condolences and prayers for all family members. Pete was a dear friend also..
