“ I first met Jim at his mothers funeral. I had just recently married his cousin Nathan in Illinois and it was my first time seeing any of his family down south. Jim immediately welcomed me with a huge bear hug and spoke to me as though he had known me forever. I will forever be grateful to him and Pam for their gracious hospitality that weekend, even as he was going through his own sorrow at the time. He showed me what true southern hospitality was. Nathan and I always looked forward to visiting with Jim and Pam whenever we were in town, and always had a great time visiting with you.

*God bless you and your family, Pam. He was a great man.*

*Love, Joni Wood*

“ *Bro..Jim was a godly man that loved the Lord with all his heart. He loved his church and his church family. He was a man that loved everyone. He will be greatly missed as he was greatly loved. I will never forget his big ole smile. He is with Jesus now and I know one day I will seen him again. With my deepest sympathy: Dicky Warren*
