“ Dear Carol and family. How heart broken we are. I'm sure Carol you are aware how close Jerome and I were. During our high school years we used to ride horse to each other's farm and stay over nite. I have so many memories it would take a book to write about them all. Our visit to Enid Ok when he was stationed there. Our high school years of playing basketball and going to State Tournament our senior year and even winning a game against Berthold. Like I said I could go on and on. I considered Jerome more like a brother than cousin. Our thoughts and prayers are with you and your family. May GOD bless you all.

“ I was so sad to hear of Jerry's passing. He was such a good guy. One of my memories of him was from working with him at Lockridge & Associates. I always laughed when he would come into the office in short sleeves when the temperature was like 30 degrees outside! We were all bundled up and he would say it felt great!!! He said after living in South Dakota, 30 degrees was a warm day! Carol, please accept our condolences.
