“ *I remember Jerry from back in the 70's when I dated his daughter. He was a phenomenal individual that truly cared about people but most importantly his family! He will certainly be missed with his common sense approach to life. It worked really well for him! We should all take notes on what he did because it was extremely successful. May you enjoy heaven and rest easy in the knowledge that Jesus has welcomed you into eternity! My prayers are with Mrs. Geraldine, Donna, and the rest of the family!*

“ Since our days back in the 1960’s, when we were cruising around The “Golden Rod”, Jerry has been my good friend. He was a down to earth super nice person. Geraldine, Donna Kay and Kristen, you all were very special to him, Shirley and I extend our deepest condolences to you. Jerry will be missed. I always enjoyed his visit to office and considered it a honor to be his insurance agent.

Jerry was my cousin and I’m so sorry to hear about his passing. His daddy and mama lived on the west end of 104 when we were kids growing up. Just saw this on FB. Praying for peace and comfort to the family. God Bless.

So sorry to hear of this. Getting to know all of the family was one of my greatest blessings. Thoughts and prayers are with all of you. We won't get to come because we have to take Danny to Memphis for a procedure on Wednesday, but we will be thinking of you. May God be with all of you. Love, Lillie.
