“ I have many great memories of Jerry Neal. The one that is forever etched in my memory is when he cooked ‘chittlins’. As he had a way of getting of humoring people, he talked me into trying one. He laughed his big laugh when my reaction was less than enthusiastic. Lynn and Jeff, you are in my prayers for comfort and strength. Love to your family.

Jerry Neal was like the brother that I never had. I enjoyed being with him and listening to his many many funny stories. Since we live in Murfreesboro he helped take care of my place in Lexington for many years. I depended on him and he never let me down. I will miss him. He was from the old school and that was good. They don't make them like him anymore.

“ I am so sorry to hear about Jerry. He & Lynn always welcomed all of us high schoolers into their home back many many years ago. We always wanted to get snow bound at the Williams side of River Hill so we had to stay with some of the family until the buses ran again. Jerry will be missed by so many. My thoughts & prayers are with Lynn & the family. 🙏🙏
