“ I remember going to visit my brother Rande in Montgomery, Alabama when he was in the Air Force. JIimmie and Doris has us over at their house and offered hospitality to us. This meant a lot to young guys in the military. After he retired and they moved to Scotts Hill, he was kind and down to earth. He practiced his faith in Christ and now has received his reward.

I was in the USAF with Jimmie for about three years and shared a lot of things with both Jim and Doris. We were in Kirksville, Mo. when their sons were born and when Doris' sister Pat came to visit. Really thought a lot of all of them.
