“ Shirley, I was so sorry to hear about Jim's passing away. I remember the family get-to-gathers at your home. We will all miss him. You are in my prayers.

Peggy sends her sympathy and love also. Her computer is not working and Jim just came home from the nursing home today, so we will not be able to attend the service. Judy has the kids and will not be able to be there either. Know, however, that we are thinking of you and love you.

Love,
