Tribute Wall

“ *I love you Uncle Jimmy. Sure gonna miss getting to see you and Aunt Kay when I get to come home for a visit. You both are together again in a far better place than this old world.*

Y'all have built a beautiful, strong, and loving legacy and is manifest in your beautiful, loving children, grandchildren, and great grandchildren. What a wonderful blessing.

I pray for my Wells family, that God to hold each one close and give you some peace and strength, as you say your goodbyes today.

*I love each and everyone of you
I am not able to be there with y'all as you honor and celebrate the life of Uncle Jimmy, just know my heart, mind, and prayers are with you all.*

*Hugs and much love,
LeAnn Welch Wilson*
