“*I have been so very blessed with getting to know Jo Ann. What I loved was her outgoing personality, her laughter, and willingness to live life to the fullest. I will miss her spontaneous dropping by for conversation and whatever else would roll our way, dinner, movies. She will always be a part of our “Barkley Nine” group because of all the fun times she contributed to. I’ll miss this dear lady. Take care of all our friends and pets while enjoying heaven.*

“ I met Jo Ann only three and a half years ago at our Del Webb community, but have come to treasure her friendship as a genuine gift from our Lord Jesus Christ. Jo Ann's smile and attitude would light up the room every where I saw her - in the pool for Water Bugs, at Singles Club activities, and especially at Bible Study. She was such an example of living out personal faith in Christ. She always left me feeling loved and encouraged when in truth, she was the one who was having the hard life of cancer. She talked many times of her love for her children and the joy they all brought to her life. I pray for them in this loss of a treasure in their daily life.
