“ Kallie, I'm not sure if you remember me, but I'm Teresa Grimes. Edalene Rhodes, at North Cliff, was my mother. My heart hurt for you when I heard about Joanie's passing, which is also when I found out she'd been sick. May God comfort you & the entire family as you adjust to life without her with you, physically. Cherish all the sweet memories you made with her throughout your life, & she will always be in your heart.
