*It's been 5 months without you daddy. It's been very hard for me and everyone else down here. We all miss you like crazy. Here recently you would probably beat my tail for some of the stuff I have did and caused, but I realize a lot you've taught me. "Alexis don't do that", "All you got to do is ask", "Stop your bs". I'm sorry for you looking down on me in shame. This week has taught me a lot and I'm sorry. I love you and I miss you so much. - Your baby girl, Alexis.*
