“ I have been blessed to work with John at Volvo and on the Relay For Life Team. John didn't meet a stranger and everyone gravitated toward his fun attitude. He will definitely be missed!

“ John was the best guy to work with!!! I am so honored that I got to work alongside him at Volvo for the past 4 years. His story telling and comedic personality always made our days at work more fun. I miss him so much, but I'm thankful that he is no longer in pain. ❤️
John was a great co-worker, but he was an even better friend!

“ I have worked with John with his Volvo Team for many years here in Charleston, SC. My heart is filled with sadness to hear of his passing. John was the sweetest, kindest man. He could always see the best in anything that came at him. His work, his friendship and understanding. Our heartfelt prayers and thoughts from me personally and BP Express are with him and his family. I will miss you my dear friend and co-worker. May you sing and dance thru the Heavens and know you will be missed. Always, Kim
