“ Thinking of you today John. Always so kind, and even though we didn't see each other nearly often enough, I know you loved me just as I loved you. Family is family, and you will surely be missed. Hoping safe travels for my mother (Rhonda Holliday) tomorrow and I love the rest of my Tulley family.

“ Peggy and family, I tell you that John was, and will always be, one of the sweetest and most kind hearted "kids" I've ever known. He always went out of his way to give me a hug everytime he saw me and I'll miss hearing that laugh ! I am heartbroken with you and for you. I'm sorry that my health won't allow me to be there, but know that he was loved and won't be forgotten. John's with his daddy, Jack and so many others we have loved and been blessed to share this life with, but he is also with our Lord in the greatest Peace there is. May you find comfort in that. He has left awfully big hole in this world that no one else can fill. You are in my prayers and heart, always.

*With love, in Christ Jesus,*

“ *Loved him so much and love his family very much. He was a precious when he was a little boy and still was a very lovable person. He was always smiling and had a heart of gold. Always gave me a hug no matter where I saw him. He is now an angel in heaven and I know that he, Duck, Jigs , and Jack are having a ball and laughing about all the memories they shared here on this earth. I'm sure Babe(Larry) is telling him all about the Halloween stuff.*
