“ **In The Company Of Angels**
if i am the first to go i will wait for you in the place where the crowns of angels glow, if i go first because i lost the fight i will be waiting with the father where the tunnel opens into light,

if i am the first one there i will await you in lush meadows where heady perfume fills the air, if i go first and leave you lonely we will meet again in paradise in our loved ones company, if i am the first to go, allay your fears i will be waiting in the place where there are no more tears, if i go before you and we must part i will wait for you in heaven where sweet music soothes the heart, if i am first to go we will meet again in a far better place than this where god has banished pain, if i go first through the eternal door you will find me with the angels where suffering is no more, if i am first to go by days or years you will find me waiting there far beyond this vale of tears.
