“ Donna, I will never know what you are going through but I do know what you lost. I really cared for Jon. I worked for him. He was a very kind, thoughtful, and caring person. He always was happy to help me with anything I needed. He cared for people and always wanted to help. He worked so hard trying to please everyone but we all know how impossible that is. Jon will really be missed. I'll keep you and the family in my prayers. And Sarah, he loved you so much!! So glad you were there with him. Love you ,Sandy Carey

“ *David and I loved Jonathan !*

He was always so gracious and quick to avail himself to us any time we needed “a quit legal opinion “ .

David had a special place for him not only as his patient , but as a young friend . (We loved that he was a “ foodie” ,and that we shared our own Top Ten Regional Restaurants Lists:-)

Our hearts are broken for his entire family , ourselves and the community ,who lossed a bright young man who had much to offer but especially broken for Sarah his new bride .

With loving thoughts for each of you

Donna,
I am so sadden to hear about Jonathan. I will never forget the first time
I met him, and I how willingly he was to help me in a very critical time. .
My heart is broken... He was so kind, and was one of the most caring
young man that I have had the opportunity to meet in a very long time.
This is truly a big loss to our community. I will never forget him and his
smile. I will be thinking and praying for you during this difficult time.
