“ My sympathy goes to Judy's family. She was a great teacher; I saw how she inspired her students for years, and she also inspired my own child, who says she was one of her favorites! She was also a fun, witty, and caring friend, and I will always remember her fondly! Having also had her children, I know what a great mom she was, and know she will live forever in their hearts. One more thing, I know she was a great wife, married to a great husband; their love for each other is one many desire. My love and prayers are for all of her family.
