“ *I met Ms Julia many years ago when She would come by work and pickup stuff for the Senior Citizens Center. Our friend had introduced her to Me and after that every time She came by Walmart and saw Me she would always say Hi! Sometimes God puts Us on a path and along the way we meet people that we will always remember. Ms Julia was always so nice, and would always acknowledge Me. And people like Her are Few and far between. Prayers for All her Family and Friends.*
