“ Lee "Lee Bob" as I called you sometimes when you were just a teenager, I have many fond memories of you that I won't soon forget. You shared your passion for music with me back then, and I still think of you when I listen to GnR, one of my favorite bands, and how you said "you're gonna love these guys, they really rock" and they did! R.I.P. "Lee Bob" Mama Woods, your sweet mama Gail, Marie, and other family members welcomed you home my "cousin in law", my friend!
