“ I never met Julie, but I know her mother and some of her aunts and it breaks my heart in two. She looks like a beautiful person and reading the tributes, it sounds like she was beautiful inside too. I am praying for Valerie and David, and all her loved ones that must go on without her until they meet again. But rest assured, you will be reunited and she is in the best hands now. Love to you all and praying for you. God bless.

I remember Julie as the beautiful smiling sweet little blonde girl when I would visit Aunt Ruth on occasion. Unfortunately, I was not able to know the beautiful young woman she grew to be since miles separated us. I still feel a deep loss because there was a bond of love since we were cousins. She was so beautiful and seemed to enjoy life so much. She and Jay undoubtedly were very happy. I pray for strength, guidance and comfort for Valerie, David and all the family and for the Hogan family and the precious little boys who lost their mom and dad.
