“ When Katelyn & her sisters were younger. During fathers days weekend their grandfather was really sad. So my boyfriend & I picked up the girls at their house in Holland pa & drove them down to surprise their grandfather (my Dad). 4 hour drive whole time in car Sara, Laura & Katelyn kept asking us is we were driving in circles (cause it was taking so long for us to get there). The girls did not know their grandfather was sad. We had a great weekend visiting their grandparents.

“ I remember one day when Kate was going riding. Her horse Moonshine didn't want to be caught. Well, Kate just started chasing her horse, and she ACTUALLY passed Moonshine. SO Kate just stopped and grabbed Moonshines halter, looked at us and said, "Wow is she a slow horse!"
