“ Kathy n I go back almost 30 yrs. It was an instant friendship. She gave a Bible to Steve n I for a wedding gift. Had our names and date put on it....we could go for a while and not see each other...and then pickup where we left off. Going to Memphis for chemo.....I enjoyed our conversations and the laughter. Other times I could see how tired you would be. You had such a will to live, inspiration to us all. I love you my sista. We will meet again, until then I will keep you tucked away in my 💖.
