“ Ken I wished I had visited you over the past few years but time gets away but what can I say for Carolyn and myself was really shocked to hear of Kens passing for early in our life when we lived in Jackson Tenn and next door to Ken & Donna we were like family going to the lake, camping on the weekends on the tenn river and really just enjoying everyone’s family but those memories will never be for gotten for when we moved from Jackson in the early 80’s it was one of the loneliness feeling I had ever had for Ken And I and Donna were so close but job changes in my life seemed to take us further apart distance wise but I always thought about Ken and when Facebook came out I got closer to Ken! I remember Ken as being quite and patient as I really loved him like a brother! My friend I wished I could travel to your funeral but rest assure our love that Carolyn and I have for you will never go in forgotten! Rest In Peace! Ps I almost forgot about the time you guys drove out to meet us on vacation at the out banks of NC,

With love and sympathy to Teresa, and Amanda

Sending our heartfelt thoughts during this time, with prayers for Teresa and family. The people that knew Kenneth were so blessed, as he was one of the finest people I have ever known. Kenneth had a light on in his heart and that light was the light of kindness and love for all of his friends and family, I believe that light will always shine in our hearts.
