You have your wings now and I feel so much safer knowing you are on that side fighting and guiding us. Our fierce warrior!!! you have touched more ppl's lives than you will EVER know. I'm not sure what we will do without you....I still have things to learn from you, things the kids will be going to go through that I would have needed you to help me through, and just stuff. I miss you so very bad and love you even more....I'll try taking care of OUR babies!!! If they will let me ;) RIP my big sister Kimmie.....until we meet again.....fly high!!!*
