“ *I am so sorry to hear about your loss! Larry was a terrific person and a joy to work with. I learned a great deal working with Larry and his lessons stay with me today. He impacted our business in a huge way and was simply invaluable to Pringles and the Jackson plant. More importantly, he impacted our people even more. He taught so many of us how to work and live. My thoughts and prayers are with you! Mike Chaney*

Larry and I were in the same grade and same school in both elementary and high school. He was an extremely smart and very kind friend. He was always willing to show us how to work a hard Algebra problem or review us for tests. I don't remember seeing him take a book home throughout high school. He was that smart. He was a good man and he will be greatly missed. "Candy" Maness
