“ *I thought the world of Larry, we could talk about refrigeration for hours, I had the privilege to share time with Larry doing training in the north west and all about the country with many Manitowoc people. The nicest compliment he gave me was " boy, you got some nice polish on that presentation, gotta work on mine like that" I liked Larry and will have a Creme Brulee in his honor.*

Creme Brulee was his favorite desert on the road. See you on the other side "Daddy" save a seat for me Larry!!!

“ *Larry was someone I worked with at McCall and Kolpak for all his years. Over time he became a friend and someone I could always count on. I enjoyed our refrigeration "debates" that he always was able to explain in simple terms that I could understand. Larry was very smart, humble, respected but most of all he was kind. I hope his family knows how much he was loved and respected at Kolpak and McCall. I will miss him.*

“ This is one sweet man. Even very near to the end he was stronger than most. He thanked us for our visit each time. We was a good father in law to Tyler and for that I am thankful. Rest in peace and cancer free sweet friend.
