“ *Debbie and I, AKA Debo and El, were fortunate to meet Larry and Teresa,AKA Eddie and Tiger, when they moved just three doors down from us. Our friendship blossomed, creating many cherished memories. Hearing the news about Larry was heartbreaking. He bravely faced numerous battles and always emerged victorious. Larry's vibrant personality brought joy to everyone around him. I take comfort in knowing he was a believer, so he will be at peace. It's the loved ones left behind who will carry the weight of this loss. Sending love and strength to all the family from Debo and El.*

“ *Gene and I Susan met Larry and Teresa in Okeechobee Florida, such a great couple. He caught the best fish and would cook them up for our neighbors and we'd enjoy the best fish fry. “ David and I met Larry and Teresa in Okeechobee 8 years ago and it was instant friendship. We were blessed to know they only lived 2 hours from our home in KY. In the short span we have been friends we have made so many memories. Both Larry and Teresa never met a stranger. Not very many friends would let you stay with them for 3 weeks and take care of your 75 pound dog and feed by hand because he wouldn't while David was in the hospital. I thank God daily for our friendship. Our prayers are with the family and we love you Teresa.

“ John and I first met Larry and Theresa in Okeechobee FL. He was a very likeable guy. He loved fishing. We knew if he was not at home, our first guess would be he's out fishing. He will be missed.
