“ I met Harold Eason when Wal-Mart came to Canada in 1994. During the conversion of the Woolco stores to Wal-Mart, I travelled Canada, assisting with the conversion of the Automotive Departments to Wal-Mart TLE, and reported to Harold. I echo David Passmore's statement; "what a wonderful leader and mentor". I have never had a better boss and I'm honoured to have known Harold.

“ *Harold and his wife Pat gave me a home when I left my first hostmother. They are like grandparents to me. I will never forget that they gave me a loving home and took me into the family. So glad we met again last year.
Love you forever Harold*
