“ I worked with Linda at Indianapolis Life Insurance. Sandy Flora and I use to meet her in Mooresville for lunch a few times before she moved to Tennessee. She had such a kind heart. This world has lost a good one.

“ Mom and Dad knew Linda long before I knew her. To know her truly was to love her!

*There are only a small circle of ladies I call big sister in this life and Linda was one of those ladies! She was a TRUE Matriarch of the church! Linda was a confidant and dear dear friend.*

*If you needed a real prayer warrior in your camp, someone who would storm the gates of hell and petition heaven on your behalf, that was Linda Asher!*

*I knew she wouldn't gossip about things. She would take every situation to her Lord in prayer! She would always say "When I die don't cry over me I'll be right where I want to be!*

*Her passing is truly our loss and heaven's gain!*

*She was stellar in her faith and conviction! She didn't just tell folks what they wanted to hear she told them what they needed to hear.*

*She knew Hell was a very real place and she didn't want anyone to go there. She would rather be honest with you and speak the truth to you now then let you be lost for eternity!*

*I will miss her terribly but I am so happy for her because she's finally home where she has always longed to be, and I am assured of that blessed hope that I will one day see her again!*

*We love you Gene and will be praying for you during this difficult time of tremendous loss! You are in our hearts and prayers!*

*Please let us know if there is anything we can do.*

“ *I honestly don't even know where to start. For 20 years Linda was a significant part of my life. She was my second mother and one of my closest friends. She helped lead me to the Lord. She was my secret keeper, my shopping and lunch buddy, and someone I respected as a strong, independant, courageous child of God. She was an amazing mother and grandmother and her love for her family was unbreakable. My prayers are with you all and may God carry you through this extremely difficult time.*

“ When we first met, Linda and I were participating in a church drama. We were dressed as was customary in Jesus' time and were to praise and worship Jesus when he arrived on Palm Sunday. I was a "baby" Christian but had become very involved in church, it was an incredible time in our lives. I wasn't sure exactly what I was supposed to do, I remember asking Linda in a hushed tone, "How do you praise and worship Jesus?" Her response, I suppose you raise your arms up in the air and wave them around while looking up. This launched a sister friendship that spanned many years, we are like two peas in a pod, except I was the detailed one, she couldn't be bothered with details. I love and miss her so much. Words cannot express what she means to me and how knowing her and walking our Christian walk together has enriched my life. .Wonderful, amazing, prayer warrior, strong and faithful friend.

*I offer my sincere sympathy and love to Gene, Michelle, Herbert, Steven and Nate.*

*The Lord bless you and keep you; the Lord make his face shine on you and be gracious to you; the Lord turn his face toward you and give you peace. Numbers 6:24-26*

“ Growing up, I have such wonderful memories of Linda, from the church services we had to her as my counselor at church camp!! Her and my mom hanging out and staying at her house in Monrovia, the ride home with her after church on the country roads!! All the laughter, the tears and love we have shared for each other! She was definitely one of a kind and I will cherish her memory all my days!

*It's hard to be completely sad, knowing what she's getting to experience and the joy of knowing she's with my mom witnessing first hand the glory of God!!*

*I do want let Gene, Michelle, Herbert and Steven know I am thinking of them and send my deep condolences, it is a great loss for us left here!*

*Love, Monica Starling (Vickie's daughter)*
