“ I never had the pleasure of meeting Linda in person. Even though I felt like I knew her for many years. I dated her son for over 5 years. Her and I talked on several occasions of our love of music, especially Elvis, whom she had the pleasure of seeing in concert. She adored my daughter (Sarah) like her own grandchild, and would call to chat with her about school and her favorite activity "horseback riding". She adored her son, and was very pleased when I first met him. She always wanted to the best for him. I will miss our chats and will forever keep her in my heart. May you rest in peace. Say "Hi" to Elvis for me.
