“ *Linda, was a beautiful lady, not just on the outside, but on the inside as well, her, hair, makeup, and her clothes were always to the t, but also on the inside she was sweet, kind, and had that soft lovely voice, Our prayers are lifted up to her family, May GOD, comfort and hold them all so very close, for she loved her family so very much, May she rest in peace, God sure picked a beautiful rose,*

“ *When I was a little girl I thought Linda was the most beautiful sophisticated woman I had ever seen. With her hair and makeup always done and that whiskey voice, I was in awe of her. I just can't believe she's gone. The world is poorer for her loss, but heaven is greater for her gain. Such a unique and beautiful soul. She is loved more than she ever knew.*

“ *Aunt Linda always had a sassy spirit as do all the ladies of our family, yes it is a gift we own proudly. Each time I saw her she made sure to tell me how much she loved me and how proud she was. She is now and always a beautiful soul and I am forever grateful to call her my family. My prayers are with you all. I love you. -- Julie Hester and family*
