“ Hi everyone my name is Rosemary and I am Linda's first born daughter. For some reason I was excluded from my mom's obituary. I have 2 children who my mom loved dearly. Their names are Shawn & Season Bradley. I just wanted to let everyone know we loved my mom & will miss her too. Their will be pictures on the photo page of my mom when she was 16 yrs old, not long after I was born & of me & her at my Grandma Robbies in Lexington Tn. I love you mom.

*First off its my understanding that you thought you were better than Linda or your sisters and brother,you never came around or had anything to do with your mom,least that is how she told,plus her service was posted and by all means you could have went,but did not,thats why you were excluded is because you thought you were better and never went around,know one thing you are no better than anyone,and had you cared you would have been there,guess you were busy,cleaning your diamonds or pearls,kinda hard for a person that has their nose in the air to bring it back down,Linda may have loved you,but fact is you should have been there for her,*
