“ While Lisa may not have been my biological aunt, she will always be remembered as my Aunt Lisa — in every way that matters. There was truly no one like her. From her deep love for animals to her spitfire personality, Lisa lived life with a fierce heart and an unshakable loyalty to both her blood and chosen family. She had a way of showing up, standing strong, and loving hard — and for that, she'll never be forgotten. Her presence left a mark that time won't erase. Rest easy, Aunt Lisa. You'll always be with us.
