“ To my beautiful, beloved sister. You are gone way to soon - I wasn't ready to let you go - but then again I don't think I ever would have been ready. You will always be a part of me and I will carry my love for you forever in my heart. Nothing will break the special bond we had - not even death. Our lives will forever be intertwined and I will never stop missing you.

“ My beloved Aunt Lois, I loved you like a second mom. Your hugs reminded me of grandma and I can still hear your laugh in my head. I will love and miss you forever.
