“ I remember meeting her at a D. A. R. Meeting. I might have known her when I was young when we visited relatives. I had been away so long. I told her how her father walked up to me and told me I was the prettiest girl he ever met. She smiled, laughed, and said, He told every girl he met that! I laughed too. They were good people. I have Gordon’s book. He knew what he was doing for us all.
