“ I've known Mark and his siblings since elementary school, his sister Belinda and me were in the same class. Last year I was having a plumbing issue and he was recommended so I called him and he and his helper Glenda was here in no time and completed the job and we played catch up with our lives. He always had a smile and he will be missed. I'm so sorry Belinda and to all of his family and wife Glenda. Sincere condolences,

“ *Mark was a fine young man, but like us all, he had some faults. He may have been a somewhat uneducated person, but no one could question his knowledge and ability when it came to a large or small electrical or plumbing matter. He might not always call you back when you wanted or show up when he thought he could, but he always did eventually and did an great job at a reasonable rate. He was a tremendous help to myself, my wife and my daughter, Allison, for many years. Not only will we miss him, but he will be greatly missed by all of his clients and friends in out community. Rest in peace my friend.*

*I have known Mark for many years, since his children were very small. If I had a plumbing issue, I would call on Mark! He was a very hard working man! I never saw him upset or a frown on his face. He was always smiling and had kind words. Mark we will miss you dearly! My thoughts and prayers for your family!*

“ I met Mark in 2003 and from that time on he took care of every plumbing and electrical need the Tim Sellers household had. He was always there for me as Tim was already disabled when I met Mark. Not only was he knowledgeable in his work, but he was truly a friend. My granddaughter loved him so much too. He was a wonderful person and will be so missed by many. We loved him so much and Glenda too. We are praying for all of you for such a loss.
