“ I am very saddened to hear of Mike's passing. I have fond memories of our high school days together. He had the best smile! Lifted a prayer for all his family.

Thank you for the photo I think he looks so young and MomMom & Daddy Ray too, I think that was taken at a wedding, I'm sure glad it didn't last... or Michael and I wouldn't have our two wonderful children our blessings from above.

I miss Michael more as time goes by, they say time will help, but not for me, he was just too young to go so quickly, I have been with him since I was 18 yrs old more than half my life, I don't know how to live without him; but, I'm blessed to have our Son and Daughter, I thank The Lord for them everyday.

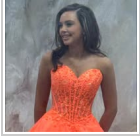

Thank you again
