I knew him as SFC Jarvis as he was my Readiness NCO for the Indiana National Guard unit that I was assigned to. He was a great NCO who looked after his soldiers and an even better person once I got to know him. RIP SFC Jarvis....

“ I'll never forget the trip Dad made to my house in Pittsburgh. It meant so much to me. It gave me a chance to create memories after years of longing to have some with him. The last 2 years our relationship has grown so much, supporting each other through the loss of Steven. I will miss not having him to talk to when I'm sad or ask questions to. I'll miss the memories I never got a chance to make or the questions I never got a chance to ask. I'm going to miss him very, very much.
