“ He was my friend, and I mean a genuine friend that's the only woman on the road of color. Him and his wife such a joy and a blessing in my life. I'm going to truly miss him which I'm missing him right now. Only God 🥹 knows only God knows. But now he can rest I love you Mr Mike Johnson you were my neighbor that was there for me and the children when we first got here and was always willing to want to help in any way you could. And would always tell me you need anything you let me or my wife know My dear sister I love her please keep her lifted up in prayer and the family. God is able 🙏❤️
