“ This is from Joan Gregory, gospel solo artist, and husband, Bobby Gregory, Alamo, TN. No one could compare to Michael's beautiful bass voice, especially when he would rattle the speakers with those low notes. I never got enough of hearing him sing and I'll always count it an honor to have shared the same stage with him down through the years. He was always quick to give you that big contagious smile. Love and prayers to all the family at this time.

“ Michael Roberts in 2009 when him and the labourers did a benefit for my husband John Moore whoever would know that I would been tested to see if I was a match to be his Kidney donor but unfortunately I wasn't but that did not stop Michael and I to becoming best friends and buds I feel like a part of me is gone he did he was just the most loving touching feeling giving and caring person I've ever seen and he loved his family so much and worried about his family I know that he's in a place now and he's looking down and he's smiling he said hey people be happy and smile praise God hey I'm healed. He would be wanting us to have a party in his name instead of sitting here crying about it that's just the way he was he was a very very strong person and he will be missed terribly I miss you my car already can't wait to see you buddy

“ *My heart is broken for this family but heaven is rejoicing! Micheal had a heart of gold. Proud to call him friend and brother in Christ. He always went out of his way to shake John's hand in church and hug me. He will truly be missed but we have comfort to know that one day we will see him again. Until then...*
